CITIZEN STATEMENT

01 My husband and I were having a verbal
02 arguement which escalated into him
03 shouting into my face. Next I knew he
04 had pushed me and I shouted into his
05 face don't touch me again. As I tried
06 to tell him in an arguement that our
07 stress level has been up it turned into
08 more arguening. I heard Sierra crying
09 I remember being in the living room
10 to ~~struggling~~ struggling as he held me down
11 and he stated he was out. I remember
12 shouting to Sierra call 911. I did take
13 an attempt to couince him this has gone
14 way to far and maybe we could all
15 try and talk this out. I did ask him
16 not to leave. However he said he
17 was leaving, and he left.
